

ONLINE LESSONS

During these two online lessons participants will learn about the design of the Flamenco Dress and how women from Andalusia wear it for fairs and religious ways. Apart from that, they will learn about accessories and fashion shows. It is important to remember our flamenco dress is the only regional costume which changes according to trends. We will highlight the tradition and the artisan work behind this garment.

These online lessons will take place on May 20th and June 10th

10th July

On this first day students will design their own flamenco dress with the help of our teachers. These designs will be the basis for the final garment.

We will go shopping to several fabric shops in order to buy the perfect fabrics. Students will pay for the fabrics while our school is providing them with trims such as zips, thread,.....

11th July

From early morning, our participants will start working on the pattern of the body. This part ,although it is not hard, it needs high precision.

After pattern making, we will start cutting and building up the body.

12th July

This session will be focused on ruffles and sleeves. We will have a look at the different types but finally we will focus on the easiest and the best-known one.

15th July

Skirt pattern and dress making. This is essential to get a flamenco gown that has the right volume and that walks at the same time as the wearer does. This lesson involves a hard work but, on the other hand, it is highly rewarding and challenging.

16th July

Finishing the last details. Although it might seem quite a long time. This day is very useful for participants as they can correct mistakes, change things and improve others. We will hold a

very special event at night. Our own “Feria de Sevilla” with traditional flamenco music, traditional food and the best environment.

17th July

Shooting session and social media posts.

BIP SPECIFICATIONS

THE FUNDAMENTAL OBJECTIVE OF THE PROGRAM IS TO CREATE A FLAMENCO COSTUME, ITS PATTERN MAKING AND MANUFACTURING. ALSO, STUDENTS WILL LEARN ABOUT DESIGN OF THE SAME, ITS USE AND THE ACCESSORIES THAT ACCOMPANY IT.

TEACHERS FROM OUR SCHOOL WILL ACCOMPANY PARTICIPANTS TO BUY THE FABRIC, ZIPPERS AND THREAD THAT ARE THE MOST APPROPRIATE FOR MAKING THE SUIT.

STUDENTS WHO PARTICIPATE IN THE PROGRAM MUST HAVE KNOWLEDGE OF SEWING AND USE OF SEWING MACHINES.

IT IS CONVENIENT FOR THE ACCOMPANYING TEACHERS TO BE IN THE CLASSROOM TO SUPERVISE THE WORK OF YOUR STUDENTS.

ALTHOUGH THE CREATIVITY OF THE PARTICIPANTS IS HIGHLY VALUED, WE MUST TAKE INTO ACCOUNT

COUNT THE DURATION OF THE BEEP AND TRUST TEACHERS SPECIALISTS IN THE MATTER TO CHOOSE BOTH FABRICS AND DESIGN. WE ARE COMPLETELY CONVINCED THAT THE RESULT WILL BE VERY SATISFACTORY.

THE CLASSES ARE IN SPANISH BUT THEY HAVE THE SUPPORT OF TRANSLATIONS INTO ENGLISH. ALL LESSONS ARE FROM 9 AM TO 2 PM
